

# Patient Comfort Essentials

Claire,

Providing comfort to patients should be a top priority in all facilities. ALCO has the products you need to ensure your patients are getting the comfort they deserve.

## WEDGIE™ PELVIC EXAM WEDGE

AL-77355

*6" height lifts the patient's pelvis significantly higher than a standard bedpan. The unique cut-out feature allows physicians to use a speculum properly which results in a faster, higher quality exam.*

### WEDGIE™ Pelvic Exam Wedge | AL-77355

Provides fast, portable & comfortable pelvic exams anywhere. The speculum cut out in the high density foam & the technical grade medical fabric ensure quality exams, ease of use & comfort to the patient.

Disposable covers prevent transmission of germs between patients. The WEDGIE™ is the fastest possible way to get a high quality GYN exam.

### **Universal BEDPAN™ | AL-67805**

Works with every shape & body size from petite to bariatric. No spilling when the bedpan needs to be changed because of the way it is designed to slip in, pushing the mattress down.

No sharp edges for the patient to feel, eliminating one more opportunity for complaints or dissatisfaction. Assures higher quality patient experiences & survey scores.
