

Simply 66 Cubicle Curtain Snap System

at

ALCO
Sales & Service Co.

The original & only solution for your hospital curtain application to standardize your facility
& reduce inventory & laundry costs!

3 Easy Steps!

Installation is as easy as...

ONE

TWO

THREE!

What you need to know:

- ~ Reduce labor, inventory & laundry costs
- ~ No ladder or hardware needed!
- ~ **NEW!** Durable snapbuttons
- ~ Labels sewn onto fabric panels allow for quick & easy hanging
- ~ Fire retardant NFPA701
- ~ Designer fabrics including antimicrobial & eco-friendly options
- ~ Vinyl & disposable liners available to protect fabric panels in high-risk areas
- ~ Fits on your existing cubicle curtain track

(And while you're there, don't forget to check out ALCO's **FREE** gift program! The more you buy, the better your gift will be!)

NEW!

HEALTHY HANDLE

- ~ Allows staff to easily pull cubicle curtains open & closed without ever having to touch the curtain, alleviating the spread of pathogens from hand to curtain
- ~ Made using a non-porous, sturdy, laminated fabric
- ~ Anti-microbial
- ~ Fire retardant
- ~ Anti-mildew
- ~ Cleans easily with soap & water; just wipe it down

OFF-THE-HOOK CARRIERS

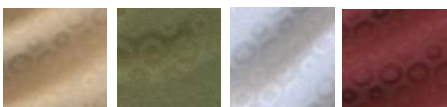

- ~ Patent-pending!
- ~ Nylon universal carriers replace grommets completely & are attached securely to the top mesh, spaced every 6" on center
- ~ Simplifies curtain change out for hospital staff, since they simply remove the end stop & slide the entire curtain out of the ceiling track in a fraction of the time it takes to remove grommets one by one
- ~ Can be laundered right along with the mesh attached
- ~ Fits both narrow & wider channel ceiling tracks

NEW!
