Exercise Putty removal suggestions

remove from hair:

Use baby oil, a generous amount of hair conditioner with warm water or smooth peanut butter. Massage around the scalp and area containing the putty and then gently comb it through. After putty is removed, wash hair with shampoo.

remove from fabric and carpeting:

Scrape off excess putty with a dull knife or metal spoon. Spray with WD-40 and let stand a few minutes. Respray with WD-40 and wipe off stain with cotton balls. Wipe remaining residue with damp sponge or cloth moistened with liquid dish soap.
