Power Supply

Diagnostix™ Adstation™
Wall Transformer

Diagnostix™ Adstation™ Wall Transformer

Diagnostix™ Adstation™ Wall Extension Module

- Wall mount power supply that helps improve workflow
- Start with a single power handle and add up to three extension modules
- Magnetic switch activates power when handle is removed from cradle, automatically powers off when handle is replaced
- Adtronic™ electronic rheostatic light intensity control provides infinite continuous control
- Adtronic™ off feature after 2 minutes provides additional safety if instrument is mis-cradled
- Easy to install with included bracket or may be mounted to our wall board systems
- Bayonet instrument mount is compatible with all major brands of 3.5v instrument heads
- Five year warranty

Diagnostix™ Adstation™
Wall Extension Module

A complete diagnostic solution that puts a full assortment of core diagnostic tools within easy reach. Modular system allows practitioner to start with a single EENT instrument, then add up to three additional EENT instruments, a clock aneroid sphygmomanometer or the revolutionary Advview™ modular diagnostic station.

The Advview™ can be configured with BP along with Temp and SpO₂ in up to 8 configurations. Optional Bluetooth for EMR connectivity. Over 500 different instrument configurations available.

Features:

- Start with as little as a single instrument wall transformer and expand with up to 3 more connected extension modules
- Choose from 3.5v Diagnostix™ Coax or Coax Plus Ophthalmoscope
- 3.5v Diagnostix™ Otoscope
- 3.5v Diagnostix™ Throat Illumination head available
- Choose from Halogen/Xenon or AdLED™ LED lighting technology
- Optional Diagnostix™ Clock Aneroid with cuff storage basket, coiled tubing, adult and large adult inflation systems

3.5v Diagnostic EENT instruments are among the most critical toolsets in a clinician's repertoire to perform a comprehensive physical exam. ADC Diagnostix™ brand EENT instrument sets help the practitioner perform fast exams and accurately diagnose a range of patient conditions thanks to innovative optical and lighting technologies. With continued advances in instrument technology, long-lasting power sources, and new advances in lighting technology that feature LED options, your EENT instruments can not only help you perform a thorough and comprehensive exam, but also can help you operate quickly and efficiently.

- Optional Wallboard for simplified wall mounting
- UL Approved
- Lifetime Warranty on clock aneroid, 3 years on inflation system
- 5 year warranty on wall transformer and extension modules
- 2 year warranty on instruments heads
- Lifetime warranty on LED lamps

EENT Instrument Heads

Otoscopies

Diagnostix™ 3.5v Otoscope Instrument Head

- Fiberoptic light transmission for an unobstructed view
- Optical glass reduces reflection and provides 3x magnification
- Bidirectional swivel lens allows instrumentation
- Insufflator fitting for pneumatic otoscopy
- Compatible with Welch Allyn specula
- Instrument head uses universal bayonet mount for compatibility with other brands of 3.5 volt power supply handles
- Anti-theft locking feature is standard
- Choose from Halogen/Xenon or advanced LED illumination
- Manufactured in Germany, inspected and packaged in the U.S.A.
- 2 year warranty on instrument
- Lifetime on LED lamp

(Specify "X" for Halogen / Xenon, or "L" for LED)

Ophthalmoscopes

Diagnostix™ Coax and Coax PLUS 3.5v Ophthalmoscope Instrument Heads

- High performance aspherical condenser lens reduces corneal reflection
- Ergonomic design and integral thumb rest improves stability and allows one finger control of all functions
- Synthetic rubber brow rest facilitates use with practitioner eyeglasses
- Dust proof
- Magnified/illuminated aperture viewing window
- Instrument head uses universal bayonet mount for compatibility with other brands of 3.5 volt power supply handles
- Anti-theft locking feature is standard
- Choose from Halogen/Xenon or advanced LED illumination
- 2 year warranty on instrument
- Lifetime on LED lamp

Coax PLUS Ophthalmoscope features

- 89 viewing lenses - (Plus) single step from 1-45 - (Minus) single step from 1-44
- Secondary focusing wheel with zero retention for quick correction of ametropias. Use this to provide virtually unlimited fine focus OR as a fast focus in lieu of the 89 viewing lenses
- 28 aperture/filter combinations for improved versatility

Coax

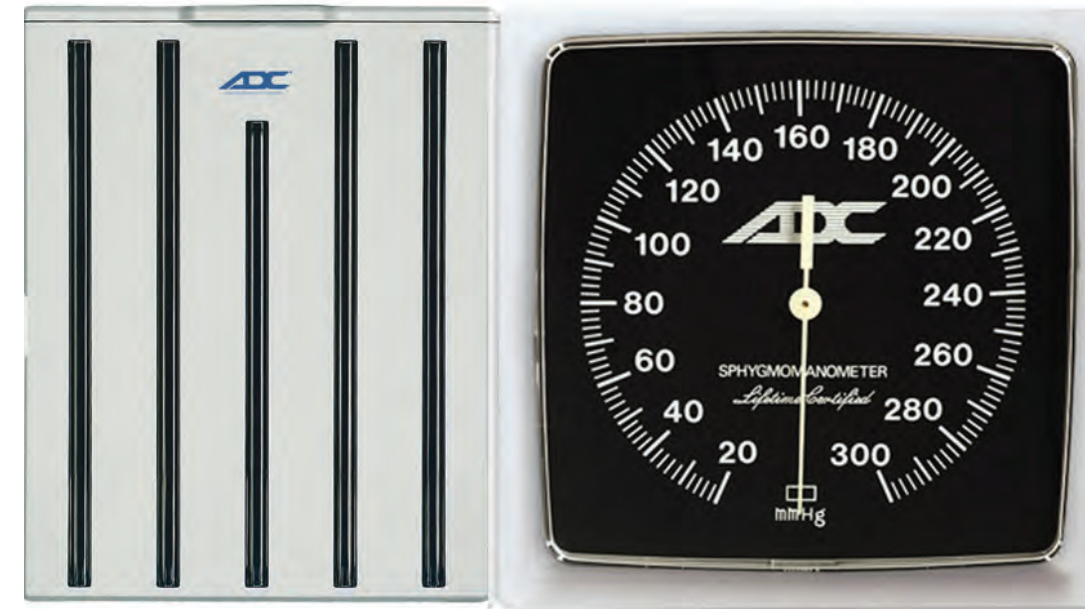

Coax Plus

(Specify "X" for Halogen / Xenon, or "L" for LED)

Coax Ophthalmoscope features

- 29 viewing lenses from -35 to +40 (Plus) 1-10, 12, 15, 20, 40 - (Minus) 1-10, 15, 20, 25, 30, 35)
- 24 aperture/filter combinations for improved versatility

Specula Dispenser

Clock Aneroid

Basic Diagnostix Adstation™ AL-83815

Throat Illuminator

Diagnostix™ 3.5v Throat Illuminator Instrument Head

- PMMA light transmission
- Tongue blade holder facilitates examination of the mouth and throat
- Manufactured in Germany, inspected and packaged in the U.S.A.
- Eject button discards used tongue blade
- 2 year warranty on instrument
- Lifetime on LED lamp

(Specify "X" for Halogen / Xenon, or "L" for LED)
