

Portable School Desk PPB

U-Shaped School Desk Partitions for Creating Protected Workspaces

School desk sneeze guard partitions act as a physical barrier to create protected workspaces for students and teachers. Portable school desk partitions include 3 sheets that interlock at the edges to create a 'U' shaped barrier. In front is a .75" tall x 12" wide passthrough for papers and charging cables. Our standard sizes fit most school desks and custom sizes can be ordered for any application in K-12 schools, colleges, and universities.

Portable School Desk PPB with Tapered Ends

U-Shaped School Desk Partitions with Tapered Ends for Added Elbow Room

Our portable school desk guards assemble in seconds with no tools required. Tapered ends on each side panel allow for more elbow room and space to work while remaining effective as a physical barrier. Our tapered school desk PPB comes in 3 standard sizes that fit most school desks. Custom sizes are available upon request and can be customized for any application in K-12 schools, universities, and libraries.

DIMENSIONS:
17.5" x 15" Front, 16" x 15" Side
22.5" x 17.5" Front, 19" x 17.5" Side
27" x 23.5" Front, 21" x 23.5" Side

MATERIAL THICKNESS:
3/16"

One-Piece Desk PPB with Tapered Ends

Pre-Assembled Standalone Desk Guard for Schools, Universities, & Workspaces

Our portable one-piece desk guard is a single pre-assembled unit of clear plastic designed to surround desks, creating a protected and safe workspace. This lightweight U-shaped physical barrier does not obstruct the view of students or academic professionals. While lightweight and portable, bent base flaps prevent the guard from moving around. Velcro strips are included to adhere the guard in place if desired.

DIMENSIONS:
17.5" x 15" Front, 15" x 12" Side
22.5" x 17.5" Front, 17.5" x 12" Side
23.5" x 20" Front, 20" x 12" Side

MATERIAL THICKNESS:
1/16"
