We're excited to bring you a better user experience when shopping with us. Here are some of the new features we are most excited about:

Improved Navigation & Multimedia

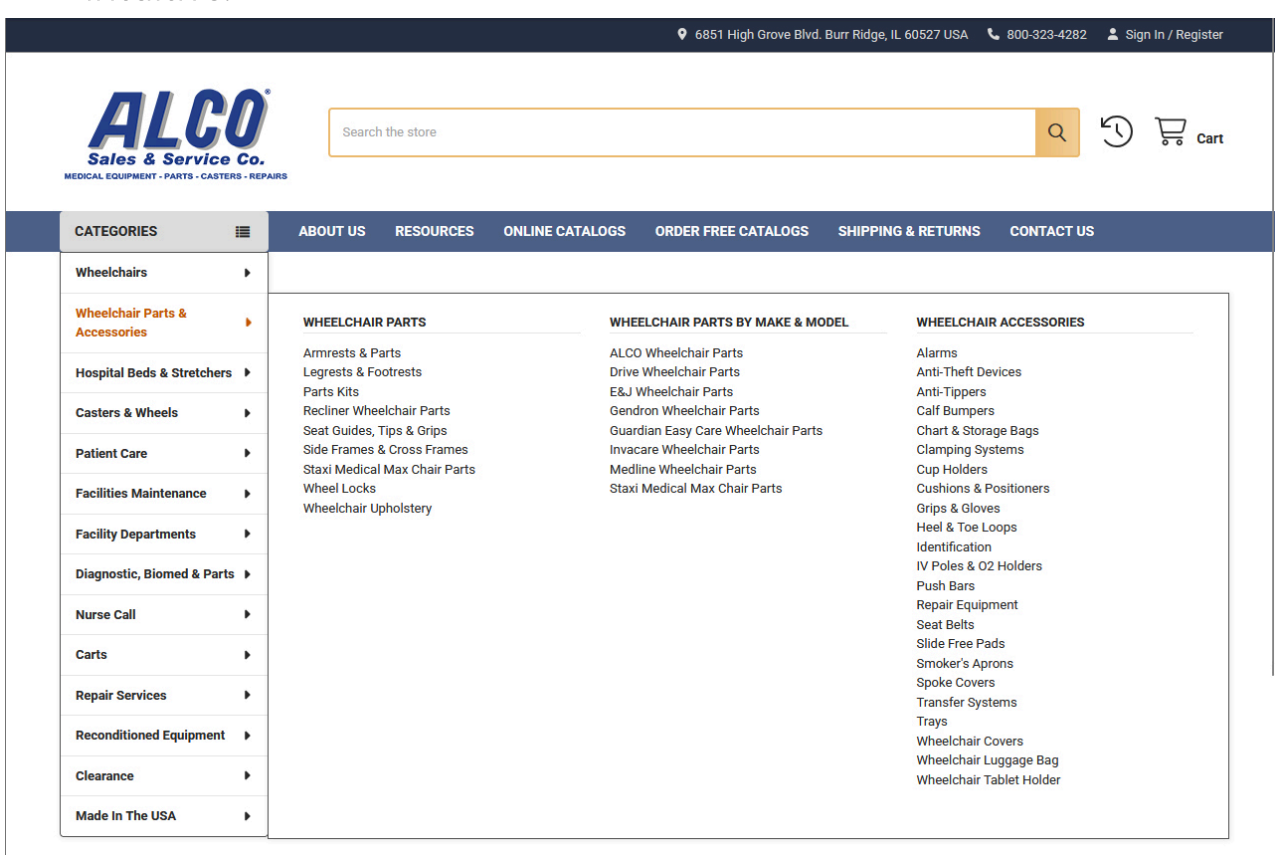

- Dynamic photo gallery showcases multiple images, allowing you to view different angles and available options with ease.

- Advanced filtering options, enabling you to easily sort products by attributes such as size, color, style, and more to quickly find exactly what you're looking for.

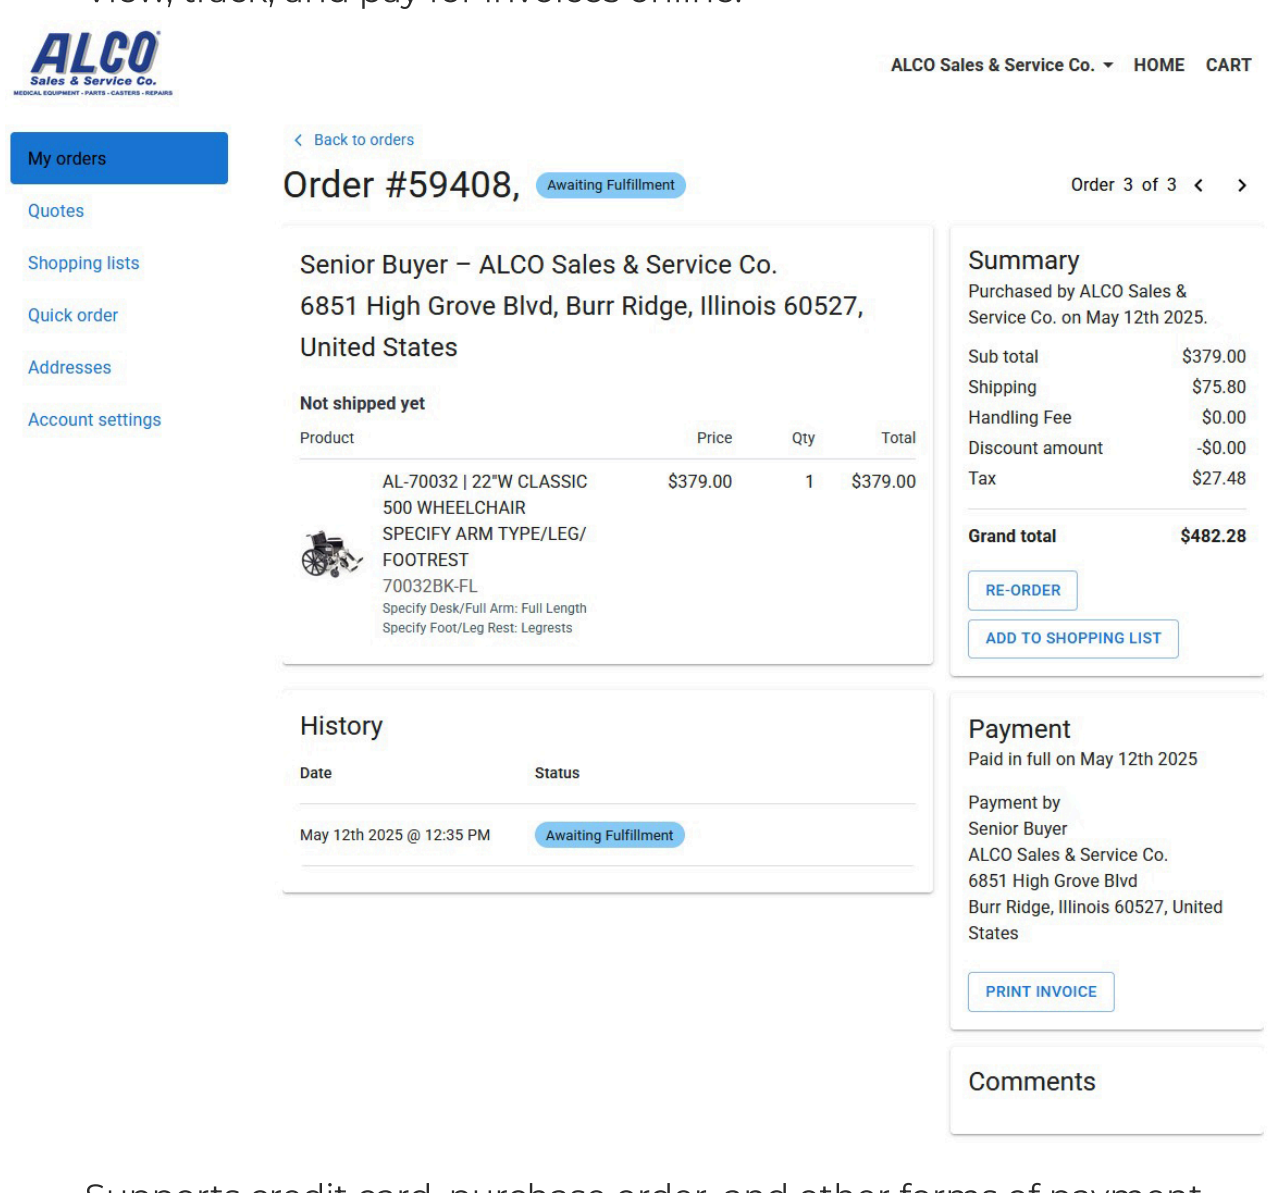

- Designed for easy navigation, featuring clearly visible categories and subcategories that make browsing and finding products fast and intuitive.

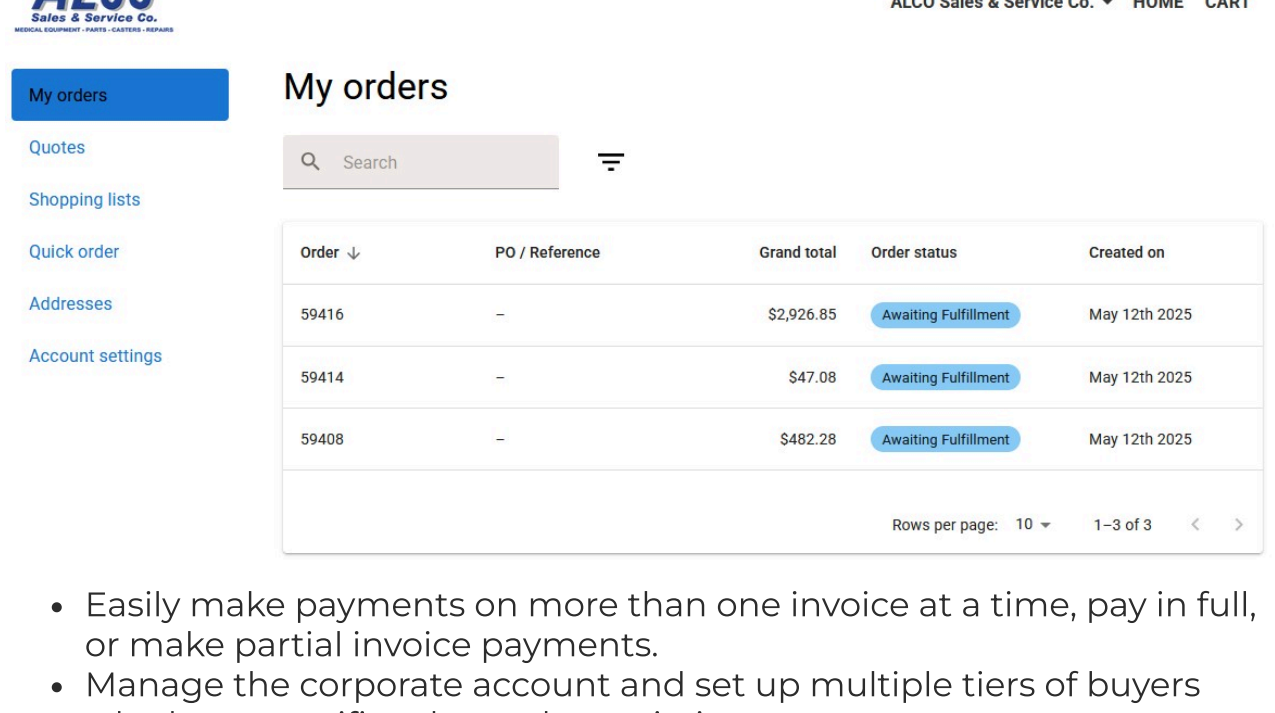

Self-Service Portal

- View, track, and pay for invoices online.

- Supports credit card, purchase order, and other forms of payment.
- View the entire order history, filter by status, date, and other criteria, and make invoice payments from one central location.

- Easily make payments on more than one invoice at a time, pay in full, or make partial invoice payments.
- Manage the corporate account and set up multiple tiers of buyers who have specific roles and permissions.

But wait, there's more...

Price Lists

When logged in to your account, custom pricing discounts are applied to applicable products automatically.

Modern Design

Fully responsive, ensuring a consistent user experience across all devices (desktops, tablets, and mobile).

Shopping Lists

Manage and save multiple shopping lists, retrieve these for future use, and purchase previously saved products.

⚠ Reminder: All existing customers will need to reset their password when the new website launches. You will be prompted to enter a new password when you first attempt to log in.
