

Introducing Quick Change Cable Pillow Speakers!

These Series 8 Pillow Speakers offer a patent pending quick change cable design. Cables can be replaced in less than 60 seconds by hospital staff. This feature will result in great cost savings with both time and money since pillow speaker repairs require complete disassembly or return to the factory for replacement.

Be sure to head on over to the [WEBSITE](#) to shop our new Quick Change Cable Pillow Speakers!

Adding **COLOR** To Your Patient's Environment

First in the industry to offer a wide variety of colored cases!
