Resuscitation and Acute Critical Care Solutions

ZOLL® is focused on improving outcomes with novel resuscitation and acute critical care technology, delivering technology that advances emergency care and benefits patients.

Zoll® AED 3

The innovative, intuitive design and enhanced features of the ZOLL® AED 3 gives unexpected heroes both the confidence and the knowledge needed to treat sudden cardiac arrest (SCA).

Zoll® AED Plus

Unlike other AEDs, ZOLL® AEDs support rescuers with integrated, real-time feedback on compression rate and depth. Guides rescuers in performing high-quality CPR and provides integrated audio and visual feedback to support you throughout the rescue.

AED Mounting Bracket

The AED Plus wall mounting bracket keeps the device secure, protected, and within reach, without occupying a large amount of wall space.

AED Wall Cabinet

Visibility of your AED Plus is essential so it is easy to find in an emergency situation. The 9" alarmed wall cabinet holds the AED Plus in a carry case with an extra set of electrodes.
